DYC Parties: Isn't Autumn Without 'Em!

Sept. 5 Bloody Mary Monday—A Labor Day Tradition

Celebrate **Labor Day Sept. 5 at 10:30 a.m. with the Dallas Yacht Club!** We provide some of the breakfast and setups for Bloody Mary's and mimosas and our guests bring a dish to share. This is a child-friendly event and a great time to bring family and friends for this fun, casual event. Guests are welcome to come check us out. The event is free to everyone.

Get Ready for Fall with DYC Fall Kick Off Party Sept. 25

The DYC kicks off fall boating, the football season and autumn at our Sept. 25 Kick Off Party. The live band "**Saving Yesterday**", catered dinner and a full raffle are on the agenda. Some lucky DYC member gets free slip rental for the month. But you gotta buy a ticket and be there to win!

Oct. 29 Business Meeting/Halloween Party

We'll have a brief business meeting to present our 2017 DYC board members and discuss a few housekeeping items before we get down to partying! This is potluck, so bring a dish to share. **Best costumes win prizes!** Oct. 29, 7 p.m., Dock 22. Our outgoing Commodore, Lori Taylor, is seeking a **strong Commodore candidate** who wants to build on the great foundation she and her board have built. If interested, contact Lori at 817 937-9424.

Children's Advocacy Center Back-to-School Drive Results

Thanks to **Betsy Douglass**, DYC Secretary, for spearheading our back-to-school drive benefitting our new charitable organization, the Children's Advocacy Center. And a special thanks to **EPM** for allowing us to put a donation box at the marina office. Thanks to all the members who came through and donated to the drive. The Dallas Yacht Club was able to do over **\$700** worth of school supplies for kids in need.

The Children's Advocacy Center of Denton County is our new designated charity. **CACDC** provides justice and healing for sexually and/or physically abused children. As a non-profit 501(c)3 organization, CACDC relies on the generosity of benefactors like the DYC. We raise money during the year for the organization. There are many opportunities to volunteer for those of you interested in providing further support for this worthy charity. Go to www.CACDS to learn more.
