Shrimp Boil, DYC Breakfast, Movie Night

The Commodore's Corner

Thanks to everyone who participated in the DYC garage sale April 8, making it a great success. Lots of fun and useful dock accessories and boat hardware were bought and sold--everything from boat fenders to marine electronics, even craft items and decorating elements for both the boat and home. The DYC provided delectable donuts for all...we had to keep our energy up! Wonderful weather kept people coming all morning, with a constant turnover of people and items. We're already looking forward to another garage sale and plan to make this a yearly event at a minimum. Take care and thanks for making the DYC a great organization!
